NEWS RELEASE

S i2i through its subsidiary Mediating Communications Pte Ltd (MRC), partners Kaplan Professional (Part of Kaplan Learning Institute) to provide professional development courses/ Continuing Education and Training (CET) courses in Singapore

- *Alliance and support with the brand “Kaplan” and its established professional training experience Worldwide and in Singapore*
- *Supported by the reach and infrastructure of Si2i Ltd and its subsidiaries leveraging existing relationship with various MNCs and Corporate in Singapore from the last 2 decades*
- *Be a part of Kaplan Professional’s strategy and WDA/WSG skills enhancement program for Singapore to move towards a knowledge economy*

Singapore, February 26, 2015 – Mediating Communications Pte Ltd/MRC (“Mediating”), a wholly-owned subsidiary of S i2i Limited (“S i2i”, and together with its subsidiaries, collectively, the “Group”), in partnership with Kaplan Professional, being part of Kaplan Learning Institute Pte Ltd (“Kaplan”), a leading provider of professional training courses, is pleased to announce their partnership to provide approved professional training courses/ CET courses in Singapore. The partnership will provide the professional training courses to aspiring professionals and corporate as training participants in Singapore with the help of professional training experience of Kaplan and presence of S i2i in Singapore from the last two decades. The IP/Course material, learning tools and approved courses will be leveraged from the vast experience and database of Kaplan. Initially the skilled trainers of Kaplan will

conduct the courses as MRC/Si2i Ltd builds up its Educational vertical with a new and vibrant team. There will be a joint Go to Market program developed by Kaplan and Si2i Ltd/MRC to tap the market.

The Partnership will provide training courses in the area of Workplace Skills (WPS), Executive Development Growth for Excellence (EDGE), Workplace Literacy and Numeracy (WPLN), Business Management and Business Management Financial Management (BM WSQ), Leadership and People Management (LPM WSQ) and Service Excellence (SV) courses amongst others. New courses will be added as per guidelines from Kaplan.

The courses will be offered from the facilities of Kaplan currently and in later stages at Mediarling / Si2i Ltd approved centres once authorised by relevant authorities and Kaplan.

“This embarks an extension and an enhancement of value addition services which Si2i Ltd and its subsidiaries can provide to its valued customers, and also to new customers. We already have a relationship with MNCs, large corporate, Banks and other sectors. Currently these touch points are for software, cloud and Infrastructure solution, but the company wishes to leverage these touch points to provide various training courses which will enhance knowledge and skills to clients and make their investments more meaningful. We wish to become a one stop solution in this knowledge economy. We are privileged to have Kaplan as our partner.” Said Mr Maneesh Tripathi, CEO S i2i Limited, Singapore.

Mr Andy Chew, Assistant Director, Kaplan Professional, said:

The collaboration with S i2i is a key milestone in our continuous partnership strategy. With a strong partner like S i2i, we will be able to expand both our outreach to new markets and domains by combining the strength of both companies.
