To: The Shareholders of S i2i Limited

Dear Sir/Madam,

THE PROPOSED CAPITAL REDUCTION AND CASH DISTRIBUTION

1. INTRODUCTION

On 29 February 2016, the Company announced that it intended to distribute approximately S\$10 million in aggregate to Shareholders by way of the Proposed Capital Reduction. The Proposed Capital Reduction is subject to, *inter alia*, the approval of Shareholders. The Proposed Capital Reduction will involve a cash distribution (the “**Cash Distribution**”) by the Company to Shareholders of S\$0.729 in cash for each Share held by Shareholders or on their behalf as at the Books Closure Date, amounting to an aggregate distribution of approximately S\$10 million.

The Directors propose to convene an EGM to be held at 10 Eunos Road 8, 5th Floor Auditorium, Singapore Post Centre, Singapore 408600 on 29 April 2016 at 4.30 p.m. (or as soon thereafter following the conclusion or adjournment of the Annual General Meeting of the Company to be held at 3.30 p.m. on the same date and at the same place) to seek Shareholders’ approval for the Proposed Capital Reduction.

The purpose of this Circular is to provide Shareholders with relevant information relating to the Proposed Capital Reduction, including the rationale and the *pro forma* financial effects of the Proposed Capital Reduction, which will be tabled at the EGM to seek Shareholders’ approval for the special resolution in relation thereto, the notice of which is set out in this Circular.

Shareholders are advised that the SGX-ST assumes no responsibility for the contents of this Circular, including the accuracy or correctness of any of the statements made, opinions expressed or reports contained in this Circular.

2. THE PROPOSED CAPITAL REDUCTION

2.1. Background

The Company is proposing to return S\$0.729 in cash for each Share held by Shareholders or on their behalf as at the Books Closure Date. Based on the issued and paid-up share capital of the Company, of approximately S\$590,515,000 comprising 13,712,452 Shares as at the Latest Practicable Date, an aggregate amount of approximately S\$10 million will be returned to Shareholders pursuant to the Proposed Capital Reduction.

The actual aggregate Cash Distribution to be made to the Shareholders pursuant to the Proposed Capital Reduction will be based on the issued and paid-up share capital of the Company as at the Books Closure Date.

The Proposed Capital Reduction will not result in a cancellation of Shares, or change in the number of Shares held by any Shareholder. Each Shareholder will hold the same number of Shares before and immediately after the Proposed Capital Reduction.

LETTER TO SHAREHOLDERS

2.2. Illustration

For illustrative purposes only and based on the assumption that a Shareholder holds 100 Shares as at the Books Closure Date, the following sets out the position of such Shareholder before and immediately after the Proposed Capital Reduction, and the Cash Distribution that such Shareholder will receive:

	Shareholder
<u>Position before the Proposed Capital Reduction</u>	
Number of Shares currently held	100
<u>Position immediately after the Proposed Capital Reduction</u>	
Cash Distribution received (S\$)	72.90
Number of Shares held immediately after the Proposed Capital Reduction	100

In summary, Shareholders will receive S\$72.90 in cash for every 100 Shares (or S\$0.729 in cash for each Share) held as at the Books Closure Date, while maintaining the same shareholding in the Company. Shareholders holding odd lots of Shares (i.e. lots other than board lots of 100 Shares) will likewise receive S\$0.729 in cash for each Share held by them or on their behalf as at the Books Closure Date. The shareholding of each Shareholder in the Company shall remain unchanged immediately after the Proposed Capital Reduction.

2.3. Rationale for the Proposed Capital Reduction

Having reviewed the capital structure of the Company, the Board is of the view that the capital of the Company is in excess of its immediate requirements and the Proposed Capital Reduction will allow the Group to achieve a more efficient capital structure.

The Proposed Capital Reduction allows for the Cash Distribution while enabling each Shareholder to maintain the same proportionate shareholding in the Company.

In determining the Cash Distribution to Shareholders, the Board has ensured that the Company has retained sufficient capital to support its existing operations and to service its debt obligations as and when they fall due. The Board believes that the Company continues to maintain a sufficient capital base after the Proposed Capital Reduction and Cash Distribution and that this action may send a positive signal to the market, which may in turn assist to move the Company towards meeting the prescribed requirements for removal from the watch-list of the SGX-ST. The Company will continue to comply with Rule 1313(2) of the Listing Manual and provide the market with timely quarterly updates on, *inter alia*, its financial situation and other material developments that may have a significant impact on its financial position during the period in which the Company remains on the watch-list.

2.4. Funds for the Proposed Capital Reduction

The Proposed Capital Reduction will be funded from existing cash and cash equivalents of the Group of approximately S\$40 million (net of borrowings) as at 31 December 2015.

Subject to the above conditions being satisfied, it is currently expected that the Cash Distribution will be paid to the relevant Shareholders on or about 30 June 2016.

The Company will publicly announce and notify Shareholders of the effective date of the Proposed Capital Reduction through a SGXNET announcement to be posted on the SGX-ST website at <http://www.sgx.com>.

2.7. **Taxation**

Shareholders should note that the following statements are not to be regarded as advice on the tax position of any Shareholder or on any tax implications arising from the Proposed Capital Reduction and Cash Distribution. Shareholders who are in doubt as to their respective tax positions or any such tax implications or who may be subject to tax in a jurisdiction outside Singapore should consult their own professional advisers.

For Singapore income tax purposes, payments made by a Singapore resident company to shareholders pursuant to share capital reductions are generally classified as either a return of capital (which is a capital gain not subject to tax) or a receipt of dividends (which is tax exempt under the one-tier corporate tax system). As such, for Singapore income tax purposes, any gains from such transactions are generally not taxable unless the proceeds constitute taxable revenue gains or profits from a trade or business carried on by the shareholders.

In relation to the Cash Distribution to be made to Shareholders pursuant to the Proposed Capital Reduction, as the amounts which are to be paid to Shareholders pursuant to the Cash Distribution will be paid out of the reduction of the existing issued and paid up share capital of the Company, the Cash Distribution should generally be regarded as a return of capital and not taxable in Singapore for the Shareholders unless the proceeds constitute taxable revenue gains or profits from a trade or business carried on by the Shareholders.

Shareholders are advised to consult their own professional advisers as to the precise tax consequences in Singapore and/or other jurisdictions outside Singapore of the Cash Distribution pursuant to the Proposed Capital Reduction.

2.8. **Administrative Procedures for the Proposed Capital Reduction**

The following paragraphs set out the administrative procedures for the Proposed Capital Reduction. The Register will be closed as at a time and date to be determined by the Directors, for the purpose of determining Shareholders' entitlements pursuant to the Proposed Capital Reduction. The Company will announce the Books Closure Date as soon as practicable.

Persons registered in the Register and Depositors whose Securities Accounts are credited with Shares as at the Books Closure Date would be considered for purposes of the Proposed Capital Reduction on the basis of the number of such Shares registered in their names or standing to the credit of their Securities Accounts as at the Books Closure Date.
